Debut Indie Game
2023-2026

Untitled Indie Project
Solo Indie Game
2026 - Present

EXPERIENCE

Lead QA Tester

Crystalmancers, Vania Games | 2025 - Present

- Test alpha and beta builds for upcoming indie game *Crystalmancers*
- Identify bugs and issues; write detailed QA reports while maintaining direct communication with developers.

Specialist

Apple, Burlington, MA | Sep 2026 – Present

- Provide personalized product guidance by assessing customer needs and recommending best devices to enhance experience
- Deliver hands-on support by teaching customers how to use Apple products and walking through setup
- Collaborate with team members to maintain organized and welcoming store environment, whilst reaching sales goals

Coach and Community Marketing Lead

Code Wiz, Westford, MA | Oct 2024 – Sep 2025

- Managed student coding class, ages 7-17
- Taught core programming fundamentals and game-modding skills in Minecraft, Roblox, Unity, and Python
- Coordinated and participated in community marketing events
- Drove new student enrollment and supported parent onboarding

Computing Supervisor

Best Buy, Nashua, NH | May 2021 – Jun 2023

- Led a computing sales team of roughly 40 associates, driving performance and daily operations
- Analyzed KPIs and delivered targeted training to strengthen team capabilities
- Managed credit card acquisition and membership growth objectives
- Maintained strict standards for safe, accurate cash handling
- Oversaw store opening and closing procedures to ensure smooth business operation
